

Advances in New Zealand Freshwater Science

Edited by
**Phillip G Jellyman, Tim JA Davie,
Charles P Pearson, Jon S Harding**
*for New Zealand Freshwater Sciences Society
and New Zealand Hydrological Society*

This new book published by the New Zealand Hydrological Society and New Zealand Freshwater Sciences Society covers advances in New Zealand freshwater science since *Freshwaters of New Zealand* (2004).

With 34 chapters, 696 pages and over 100 contributing authors it represents a significant review of the state of New Zealand freshwater knowledge.
